Re: Genenta Science
Amendment No. 2 to
Submitted May 19,
CIK No. 0001838716

S.r.l.
Draft Registration Statement on Form F-1
2021

Dear Mr. Paracchi:

We have reviewed your amended draft registration statement and have the following comment.

Please respond to this letter by providing the requested information and either submitting an amended draft registration statement or publicly filing your registration statement on EDGAR. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing the information you provide in response to this comment and your amended draft registration statement or filed registration statement, we may have additional comments.

Amendment No. 2 to the Draft Registration Statement on Form F-1

Use of Proceeds, page 70

1. We note your revisions in response to comment 2 and reissue the comment. Please revise the development process for each indication (i.e., the clinical trial of patients in the United States, ongoing Temferon TEM-GBM 001 trial, and new Temferon clinical program in a second solid tumor indication) you estimate that the allocated proceeds from the offering will enable you to reach. To the extent that the proceeds will enable you to complete only a particular phase of clinical development, please identify the relevant clinical phase and disclose the amount and source of other funds needed for you to achieve marketing approval.
